Description:

About the Author Rev. James H. Hooks is a student of human condition, using God's Word to bring about positive life-changing experiences in our everyday battles with our faith and infancies. The pages are a blank canvas on which to draw from a talent heralded by many and matched only by an imagination that rises to the task. Should Christians Prosper is the first in a series of recent pursuits with work progressing quickly on the follow-up. --This text refers to the edition.
