Description:

Review "Lisa Bergren has stirred up an exciting and memorable tale that teen readers should thoroughly enjoy!"

-Melody Carlson, author of the Diary of a Teenage Girl and True Colors series

"Pam Turlow delivers this installment in the River of Time series with a twinkle in her voice. While excavating a Tuscan tomb with their mom during summer vacation, Gabi and Lia find themselves transported back to medieval times and a fierce battle between two knights and their forces. Turlow keeps listeners engaged with credible historical detail and vivid period descriptions as the two girls encounter events they never imagined. An underlying spiritual lesson is learned by the characters and, thus, shared with listeners. A fun audiobook for teen girls."
