Description:

About the Author Norbert C. Lemermeyer's background as a technologist and designer has made him a consummate practitioner of architecture. He was a co-founder of ACM Architecture and ACM Construction Managers, and applies his touch to all projects that come through the office. Through his 40 years of experience, Norbert s architectural projects have received national recognition and have been featured in numerous trade magazines. The infusion of the E-Myth practices into his business has created new excitement and energy, to the benefit of all team members and clients.

Michael E. Gerber is a true legend of entrepreneurship. Inc. Magazine called him "the World's #1 Small Business Guru." He started over 40 years ago addressing a significant need in the small business market: businesses owned primarily by people with technical skills but few business skills,

and no place to go to get meaningful help. Over the years, Michael E. Gerber's companies have helped tens of thousands of small business owner-clients to successfully transform their businesses into world-class operations.

Mr. Gerber's latest books are *The Most Successful Small Business in the World*, *Awakening the Entrepreneur Within*, *The E-Myth Enterprise*, *The E-Myth Mastery*, *The E-Myth Manager*, along with co-authored E-Myth Vertical books *The E-Myth Attorney*, *The E-Myth Accountant*, *The E-Myth Optometrist*, *The E-Myth Chiropractor*, *The E-Myth Financial Advisor* and soon to be released *The E-Myth Landscape Contractor* and *The E-Myth Architect*. --This text refers to the edition.
